

INFORMATION NOTE
FOR THE PRESIDENTIAL APPROVAL LETTER

IMPORTANT:

If there is a PI / researcher / consultant from TUBITAK Headquarter / Institutes in the project team, it is obligatory to obtain the approval of the relevant Institute Director and TUBITAK President. It is sufficient to enter the date and number information of the approval letter into the electronic application system but the original copy of the document must be kept by the PI in order to be submitted, in case it is requested by TUBITAK. If the information regarding the "TÜBİTAK Presidential Approval" is not entered into the system even though it is necessary, the project proposal will be returned without being evaluated.
