

FELLOWSHIPS FOR VISITING SCIENTISTS AND SCIENTISTS ON SABBATICAL LEAVE**Briefing Note for the Visiting Scientist**

Scientists must carefully read the Call Text of the relevant period. All procedures within the scope of the program will be carried out by the host scientist.

1. TRAVEL PROCEDURES

- Flight tickets for the Visiting Scientist will be provided by TÜBİTAK.
- The flight ticket will be purchased upon request from the Host Scientist's account.

2. INITIATION OF SUPPORT

For short-term support, the paymaster document (mutemet belgesi) must be prepared and uploaded to the e-bideb system, and the Host Scientist's bank account details must be entered

into the system at least 15 days prior to the Visiting Scientist's arrival in Türkiye. Payments are typically transferred within about 1 month after the process is completed.

For long-term support, once the Visiting Scientist arrives in Türkiye, The Letter of Commitment (Taahhütname) must be signed by both scientists and uploaded to the e-bideb system. Either the Host or Visiting Scientist's bank details must be entered into the system by Host Scientist.

- Payments will not be made if bank information is not entered into the system, even if other documents have been submitted.
- If the bank account for payments changes, the new account details must be updated via the same system.
- Ensuring the accuracy of bank details is the responsibility of the Host Scientist; any delays caused by errors will be their liability.

4. MONITORING PROCEDURES

If the payment to the international visiting scientist was made through the host scientist a signed declaration confirming that the monthly payment was delivered to the visiting scientist must be uploaded to the e-bideb system within 1 month following the end date of the research/event.

For health insurance support in stays longer than 3 months:

- The visiting scientist must obtain their own insurance.
- The insurance policy and invoice must be submitted by the host scientist to the program email address.

Visiting scientists supported for more than 6 months must upload a progress report within 6 months of arrival in Türkiye, in addition to the final report.
