

# Eurostars Coordinator Support Program

10.12.2025, Ankara

## SCOPE

The goal is to support the expenses of innovative SMEs aiming to participate as coordinators in Eurostars projects by forming consortia and developing project ideas to establish international R&D and innovation initiatives.

Funding will cover the costs of project writing, presentation training, and project writing services for eligible Eurostars project coordinator candidates.

Turkish-based capital companies that meet the eligibility requirements and are qualified to apply for relevant Eurostars calls may receive this support.
