

## **INFORMATION NOTE FOR PRIVATE COMPANIES**

To be able to apply by private companies, it is obligatory to be a capital company based in Türkiye, which has a trade registry document. Private companies whose legal and business headquarters are located abroad cannot apply through their representations and branches, foundations, associations and their economic enterprises, cooperatives, unions, sole proprietorships and ordinary partnerships which are based in Turkey with limited liability status of enterprises. While requesting to add an institution executive, the following private corporation documents must be added to the files section of the application system (Click for detailed information). The original document must be kept by the Principle Investigator (PI) in order to be submitted, if requested by TÜBİTAK.
