

“BİGG SPORTS Awards” Competition Announcement

In cooperation with the Ministry of Youth and Sports and TÜBİTAK, the "BİGG SPORTS Awards" competition will be organized with the aim of producing new knowledge in sports and sports-related fields, developing innovative approaches, supporting technological entrepreneurship, and raising awareness in the field of sports technologies. The "BİGG SPORTS Awards" competition aims to reward sports technology products that are creative, innovative, have technical excellence, have competitive features, have unique differences and contribute to the national technological knowledge in the field of sports technologies. A total of 4,500,000 TL cash prize and also BİGG SPORTS Award Certificate will be given to a maximum of 5 companies to be determined as a result of the evaluation of the competition jury. During the competition, panels will discuss the developments in sports technologies and events will be held where the competitors will meet with mentors and investors.

Competition Topics and Scope:

Within the scope of the competition, applications will be accepted in the following fields.

- Localization of imported sports equipment
- Augmented and virtual reality in sports technologies
- Sports-related statistics and big data analysis
